Mayor Matsumoto Wright attended the pop-up blood drive, located at the new Edmonds Waterfront Center, to encourage Mountlake Terrace residents to lend their support. "Thank you to all the employees and their family members who donated blood today," stated the Mayor. "I hope our residents will follow their lead and support this important cause."

Mayor Kyoko Matsumoto Wright

Due to COVID-19 distancing requirements, the mobile bus known as the "Bloodmobile" cannot be used at this time. Instead, Bloodworks Northwest is holding their donation events at sites like the Edmonds Waterfront Center, which provides enough space for social distancing. To help this cause, please take these steps:

Step 1: Visit <https://dslnk.co/CityOfMLT> to schedule an appointment to donate blood at any Bloodworks Northwest location through June 30. Book your appointment now as appointments are filling up; Step 2: On the day of your donation mention City of Mountlake Terrace or our four-digit code "CMLT" when you check in with the registrar; Step 3: Sit back, relax, and take pride in contributing to our local blood supply. For more information, visit [www.bloodworksnw.org](http://www.bloodworksnw.org) or call 800-398-7888.

### **CITY CLERK AND COMMUNITY RELATIONS**

- **Public Hearing Continued:** Monday, June 7, the City Council continues its public hearing that opened on May 17 regarding an application to amend the table of allowed uses listed for the Town Center zoning districts. Specifically, the request is to remove the restriction on locating non-retail/restaurant uses on designated “Corner Storefronts” that would affect the TC-1, TC-2, and TC-3 Zones in the 2019 Town Center Plan.

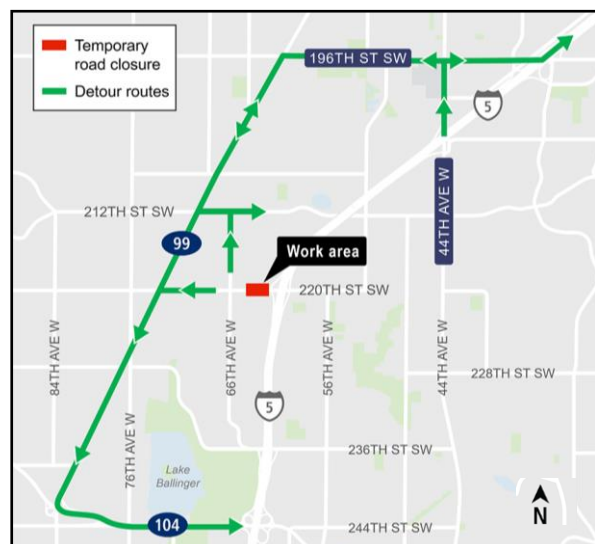

To learn more about the Town Center Subarea Plan, visit the [city's website](#). To testify for the public hearing, you may email the City Council at [cityhall@mltwa.gov](mailto:cityhall@mltwa.gov) or testify verbally at the meeting via Zoom teleconference or telephone. Emailed testimony must be received by 4:00 p.m. on June 7 to be included in the record. Meeting information is [available online](#).

- **Poultry Code Update:** In follow up to previous meetings and solicitation of input from the community, the City Council will consider an ordinance to increase the number of backyard poultry at their June 7 meeting. After discussion at the June 3 work session, the Council amended the draft ordinance to allow eight backyard poultry, while continuing to exclude roosters. Meeting information is posted [online](#).
- **Apply for Planning Commission Vacancy by June 11:** The Planning Commission currently has an interim vacancy on its seven-member, volunteer Commission. The Planning Commission meets on the second and fourth Mondays of each month at 7:00 p.m. via Zoom teleconference until in-person meetings resume. The interim term expires on June 30, 2023.

The Planning Commission reviews and makes recommendations to the City Council on planning policy and certain development permits, and makes recommendations on the city's Comprehensive Plan and development codes.

The city invites any current Mountlake Terrace resident to apply by June 11. Interviews are anticipated to take place in late June with formal appointment tentatively scheduled for the City Council's July 6 meeting. The appointed member would be on board to attend the Commission's July 12 meeting. See the [news release](#) for more information.

- **Overnight Closure of 220<sup>th</sup> Street Delayed:** The closure of 220<sup>th</sup> Street SW with I-5 southbound on and off-ramp closures (see map) to continue construction of the Lynnwood Link Extension trackway ***did not*** take place on June 2 as planned. Sound Transit said this project conflicted with another closure in the Lynnwood area and the closure will occur in the next few weeks. Stay tuned for updates. For more information, please contact Community Engagement Specialist Andrea Burnett at [andrea.burnett@soundtransit.org](mailto:andrea.burnett@soundtransit.org).

- **Update on City Summer Events:** The city has met with organizers of the July 3 Family Fireworks event and Tour de Terrace about plans to meet state COVID-19 requirements for events and festivals. Given the short turnaround time following the next announcement by the Governor, and the difficulty in meeting current state guidelines for large outdoor venues, neither event will take place in 2021.

After months of consideration, the key issues are the ability to manage the crowds in the vast areas of Ballinger Park and the Evergreen Playfield Complex with adjacent spaces, as well as procuring the fencing and staffing necessary to meet the requirements including counting guests that enter and exit the venues. Ultimately, given the resources and staffing available, meeting these requirements is not possible.

It was noted during the discussions that several traditional events in the area are not taking place this summer except for those events that charge an entrance fee that helps pay for staffing and equipment needed to provide for enhanced social distancing, sanitation, hygiene, and attendance control. As the July 3 Family Fireworks and Tour de Terrace events are provided free to the public, the funding needed to meet stringent COVID-19 protocols were too much for these volunteer organizations to absorb, particularly in such large venues that do not have natural containment.

“As disappointed as we are to not hold these events in our community, it was just too expensive and expansive to manage this year while maintaining public health and safety,” stated Community Relations Director Virginia Olsen.

Updates on other Mountlake Terrace events:

- National Night Out Against Crime: The city has cancelled this event in 2021 but we look forward to a terrific event in 2022!
- (Updated May 27) Arts of the Terrace Juried Art Show: Friends of the Arts has decided to make a decision following the Governor's announcement on June 30.
- City Hall Grand Opening: Stay tuned as we are making plans for a proper ribbon cutting on our brand new [Civic Campus Renovation Project](#) as the summer progresses.
- **Broadcasting Future Council Meetings:** With recent announcements on the possibility of moving to Phase 4 this summer, cities are working on reopening plans as well as policies and procedures for hybrid (online and in-person) and future in-person public meetings. The City Clerk has met with Granicus, the city's streaming software provider, and Edmonds College, provider of the local cable Public Education Government (PEG) channel also known as Channel 21. The city will continue to work on a plan for streaming and/or televising future City Council meetings after the city moves into the new City Hall.
- **COVID-19 Vaccine Information:** Department of Health has a [web tool](#) to help you find a vaccination appointment by entering your zip code. It looks at various scheduling options from multiple providers to find an appointment easier and is available in multiple languages (see upper right corner to change to another language besides English). All Washington residents over 12 are eligible for the vaccine. For vaccine information or help to make

Additionally, the Governor [extended provisions](#) to ban shutting off utility services to those behind on their payments through July 31, 2021.

**FINANCE**

- **Utility Billing:** The city received seven Request for Proposals (RFPs) for a vendor/contractor that can provide the city with utility bill printing/mailing, payment processing/lock box services, and online bill paying, plus email, text and phone notifications. The City Council will review and discuss the proposals in June.
- **City Utility Billing Payment Update:** In response to a cyberattack on a vendor the city uses to process utility payments (AFTS), the city is using a different online payment option that is now live on the city’s website. A link to the CardPoint payment service option is [available](#). Customers will need their account information available as this new vendor is merely an online payment portal and does not have your utility account information to view.

There are three ways to pay: (1) Mail to PO Box 72, Mountlake Terrace, WA 98043; (2) Use the payment drop box outside of Interim City Hall at 6100 219<sup>th</sup> Street SW; or (3) Utilize the

[online payment option](#) the city has secured with our vendor CardConnect. If you use bill pay with your bank, please confirm the mailing address is PO Box 72, Mountlake Terrace, WA 98043.

Utility Bills are back to their original and familiar format. Outdated payment information has been crossed out until the forms can be fully updated. We ask that payments continue to be mailed to the city using the address listed on the remittance portion of the bill.

For more information, visit the [website](#), email [utilitybilling@mltwa.gov](mailto:utilitybilling@mltwa.gov), or call 425-744-6214.

- **Relief Due to COVID-19 Emergency:** Since March 19, 2020, water service is not being shut off for residential customers' inability to pay during the COVID-19 emergency. The action remains in effect under the state's most recent proclamations addressing the pandemic. No late fees or penalties will apply during this time.

The service fee charged by the vendor for online utility payments has also been suspended for those choosing to pay online. The city recognizes that COVID-19 is a threat to the health of the community, and the ability to frequently wash our hands is paramount in the fight to curb the spread of the virus. As called for by the state and Snohomish Health District, this step will enable the community to ensure proper cleaning measures. We encourage customers to continue to make their payments or to contact Utility Billing at [utilitybilling@mltwa.gov](mailto:utilitybilling@mltwa.gov) or 425-744-6214 or to make payment arrangements, if they are unable to pay at this time.
