

CITY MANAGER'S WEEKLY UPDATE

June 25, 2021

CITY COUNCIL MEETINGS

In order to support social distancing and limitations on public gatherings, Governor Inslee's [Proclamation 20-28](#) temporarily addresses requirements of the state's Open Public Meetings Act (OPMA) that requires a physical location for the public to observe government meetings. This proclamation continues to be extended during the pandemic, and as a result City Council meetings are required to be held over the telephone or internet and the public must be able to hear the meeting live via telephone. Following the meeting, the recording will be uploaded [online](#), on [Facebook](#) (City of Mountlake Terrace Government) and [Twitter](#) (City of MLT).

The City Council's **Thursday, July 1 work/study session has been cancelled.**

The City Council's **Tuesday, July 6 meeting** ([Meeting ID 858 3627 2100 | Passcode 07 06 21](#)), beginning at 7:00 p.m. via telephone and internet, agenda includes: (1) Public Hearing and Adoption of 2022-2027 Six-Year Transportation Improvement Program (TIP) Ordinance; (2) Westside Watermain Contract Presentation; (3) Review and Adoption of 2021 Budget Amendments Ordinance; (4) Review of 2021 First Quarter Financial Report; (5) Review of Housing Options for All Income Levels; (6) Review and Approval of City Council Subcommittee Recommendation for Interim Planning Commission Member (Tentative); (7) Discussion of Youth Representation on City Boards and Commissions (Tentative).

COMMUNITY MEETINGS AND EVENTS

- **Virtual Ribbon Cutting Ceremony for Evergreen #1 Turf Field:** Thanks to the cooperation of numerous funding partners, the city held a [virtual ribbon cutting event](#) on Wednesday, June 23 via Zoom.

The project was enthusiastically supported by the Verdant Health Commission, which contributed \$1 million in grant funding toward the project from its Building Healthy Communities Fund. Additionally, the city received nearly \$600,000 from the Washington State Recreation and Conservation Office (RCO). Snohomish County funding and Terrace Brier Soccer Club donations added over \$200,000 toward the total project cost of nearly \$2.2 million.

Year-round usability was a key benefit of the project, which converted the former dirt field with aging wood light poles to synthetic turf field with new LED lighting. The project also included new fencing, improved pathways, and amenities such as soccer goals and corner flags with bleachers on the way. The new turf field now accommodates soccer, youth baseball and fastpitch, t-ball, and possibly other uses such as ultimate Frisbee.

FieldTurf USA, Inc. constructed the project that commenced in January and wrapped up at the beginning of June.

CITY CLERK AND COMMUNITY RELATIONS

- **Community Relations Specialist Interviews:** On Monday, June 28, the city will interview for the revamped Community Relations Specialist job. This position, vacant for one year, has been updated to focus outward on the community through various engagement activities and duties. The city anticipates having someone come on board in July.
- **Planning Commission Interviews:** The special recruitment for a vacancy on the city's Planning Commission closed on June 11, and interviews will take place on June 29. The City Council is tentatively scheduled to appoint the new member at their July 6 meeting. The Planning Commission reviews and makes recommendations to the City Council on planning policy and certain development permits, and makes recommendations on the city's Comprehensive Plan and development codes.
- **Update on City Summer Events:** The city has met with organizers of the July 3 Family Fireworks event and Tour de Terrace about plans to meet state COVID-19 requirements for events and festivals. Given the short turnaround time following the next announcement by the Governor, and the difficulty in meeting current state guidelines for large outdoor venues, neither event will take place in 2021.

After months of consideration, the key issues are the ability to manage the crowds in the vast areas of Ballinger Park and the Evergreen Playfield Complex with adjacent spaces, as well as procuring the fencing and staffing necessary to meet the requirements including counting guests that enter and exit the venues. Ultimately, given the resources and staffing available, meeting these requirements is not possible.

It was noted during the discussions that several traditional events in the area are not taking place this summer except for those events that charge an entrance fee that helps pay for staffing and equipment needed to provide for enhanced social distancing, sanitation, hygiene, and attendance control. As the July 3 Family Fireworks and Tour de Terrace events are provided free to the public, the funding needed to meet stringent COVID-19 protocols were too much for these volunteer organizations to absorb, particularly in such large venues that do not have natural containment.

“As disappointed as we are to not hold these events in our community, it was just too expensive and expansive to manage this year while maintaining public health and safety,” stated Community Relations Director Virginia Olsen.

Updates on other Mountlake Terrace events:

- National Night Out Against Crime: The city has cancelled this event in 2021 but we look forward to a terrific event in 2022!
- (Updated May 27) Arts of the Terrace Juried Art Show: Friends of the Arts has decided to make a decision following the Governor's announcement on June 30.
- City Hall Grand Opening: Stay tuned as we are making plans for a proper ribbon cutting on our brand new [Civic Campus Renovation Project](#) as the summer progresses.

- **Broadcasting Future Council Meetings:** With recent announcements on the possibility of moving to Phase 4 this summer, cities are working on reopening plans as well as policies and procedures for hybrid (online and in-person) meetings. The City Clerk has met with Granicus, the city's streaming software provider, and Edmonds College, provider of the local cable Public Education Government (PEG) channel also known as Channel 21. The city will continue to work on a plan for streaming and/or televising future City Council meetings after the city moves into the new City Hall.
- **COVID-19 Vaccine Information:** Department of Health has a [web tool](#) to help you find a vaccination appointment by entering your zip code. It looks at various scheduling options from multiple providers to find an appointment easier and is available in multiple languages (see upper right corner to change to another language besides English). All Washington residents over 12 are eligible for the vaccine. For vaccine information or help to make appointments, call the Snohomish Health District at 425-339-5278. Below are vaccine resources and more information:

- **Evictions Moratorium and Ban on Utility Shutoffs:** In March, the Governor issued a [Proclamation](#) extending Washington State's moratorium on evictions through June 30, 2021. The moratorium is intended to protect tenants who have fallen behind on their rent because of the economic downturn that arrived with the COVID-19 pandemic. Additionally, the Governor [extended provisions](#) to ban shutting off utility services to those behind on their payments through July 31, 2021.
- **Zoom Council Meetings:** The recorded videos of City Council meetings on Zoom are available on the bottom of the City Council's [meeting page](#).
- **Public Access to City Facilities:** During Governor Inslee's Coronavirus orders, City Hall, the Police Station and the Public Works Shop are closed to the public. The city will continue to process building and development permits, inspect essential construction activities, provide police services and maintain grounds and infrastructure.

The Recreation Pavilion hours are Monday through Thursday, 5:45 a.m. to 8:30 p.m. and Friday 5:45 a.m. to 6:30 p.m. with reservations necessary for all programs. The facility is not open on the weekend. Please email mltrecreation@mltwa.gov or call 425-776-9173 Monday-Friday to register or get more information about our programs.

Athletic fields are open by reservation only and with appropriate safety plans. Park trails, the boat launch, fishing pier, off-leash dog park, tennis courts and basketball court are open, subject to gathering and social distancing requirements. Below are some helpful phone numbers and emails should you need assistance:

COMMUNITY & ECONOMIC DEVELOPMENT

Until further notice, City Hall will remain closed to the public. All [permit applications](#) are accepted through a ‘no-contact’ procedure. Note: Permit processing times have increased due to compliance with COVID-19 mandates. Call 425-775-9694 to schedule an inspection and have your permit number and address ready. Your project must have issued permits on-site, require workers to be six-feet apart, and have a developed exposure control, mitigation, and recovery plan (Washington State Department of Labor & Industries will enforce requirements for contractors to comply). Please email Permitspecialist@mltwa.gov with questions.

FINANCE

- **New Utility Billing Vendor Selected:** At the June 21 City Council meeting, the Council approved an agreement with Output Services Group, Inc. (OSG) for utility billing services including several payment option improvements for the City of Mountlake Terrace.

The agreement with OSG includes a number of services such as printing, insertion and mailing of utility bills, lockbox services, online bill presentation, online bill pay and phone payment line, as well as email, text, and phone call notifications.

The contract was awarded following a Request for Proposals (RFP) issued by the city that resulted in six proposals. Of those submitted, four companies were selected to demonstrate their product. OSG ranked the highest and was recommended by the project team.

In response to input from the community, the new contract will include highly desired upgrades and additional services including:

- Text, email and phone notification of new bills, late notices, and payments;
- Auto pay;
- Pay as a guest option; and
- Better tracking of when the statements are mailed by OSG and returned to the payment processing center.

Additionally, OSG is in the process of establishing payment sites with stores like CVS and 7-Eleven so that customers can make cash and check payments when it is most convenient for them. Finally, the \$2.00 convenience fee for credit card payments that was in the prior contract will not continue in the contract with OSG.

Under the new five-year contract, the city saves approximately \$30,000 per year over the prior vendor agreement. A spokesperson for OSG stated, "Our goal is to modernize processes and create frictionless experiences. Our clients benefit from a partnership that values simplicity, security, and connectivity—for today's environment and tomorrow's innovation."

Also with regard to utility bill payments, since moving into the new City Hall, a payment drop box has been installed near the front entrance located at 23204 58th Avenue West (see photo). Customers may walk or drive up to the drop box.

If you have additional questions, please contact our Utility Billing Department at utilitybilling@mltwa.gov or 425-744-6214.

The new utility payment drop box is located just left of the front entrance of City Hall.

- **Relief Due to COVID-19 Emergency:** Since March 19, 2020, water service is not being shut off for residential customers' inability to pay during the COVID-19 emergency. The action remains in effect under the state's most recent proclamations addressing the pandemic. No late fees or penalties will apply during this time.

The service fee charged by the vendor for online utility payments has also been suspended for those choosing to pay online. The city recognizes that COVID-19 is a threat to the health of the community, and the ability to frequently wash our hands is paramount in the fight to curb the spread of the virus. As called for by the state and Snohomish Health District, this step will enable the community to ensure proper cleaning measures. We encourage customers to continue to make their payments or to contact Utility Billing at utilitybilling@mltwa.gov or 425-744-6214 or to make payment arrangements, if they are unable to pay at this time.
