

CITY MANAGER'S WEEKLY UPDATE

April 22, 2022

CITY COUNCIL MEETINGS

In order to limit the spread of COVID-19, the city continues to follow Governor Inslee's [Proclamation 20-28](#) by holding City Council meetings virtually (online), via Zoom.

View the [City Council Meeting Schedule](#) for upcoming agenda items.

The City Council's **Thursday, April 28 work/study session** ([Meeting Link](#) | Passcode: 042822), beginning at 7:00 p.m., via telephone and internet, agenda includes: (1) Review of 2021 Fourth Quarter Financial Report (Tentative); (2) Review of Ordinance Amending MTMC 2.10.010 Regarding Remote Attendance; (3) Review of Public Comment Policy Resolution; and (4) Review of Resolution Establishing Juneteenth as Legal City Holiday.

The City Council's **Monday, May 2 meeting** ([Meeting Link](#) | Passcode: 050222), beginning at 7:00 p.m., via telephone and internet, agenda includes: (1) Approval of Work Order for Westside Water Main Construction Support; (2) Adoption of Resolution Establishing Juneteenth as Legal City Holiday; (3) Adoption of Ordinance Amending MTMC 2.10.010 Regarding Remote Attendance; (4) Adoption of Public Comment Policy Resolution (Tentative); and (5) Asian American and Pacific Islander (AAPI) Heritage Month Proclamation.

CITY CLERK AND COMMUNITY RELATIONS

- **City Partners with PetData to Simplify Animal Licensing:** It is now easier than ever to register or renew pet licenses in Mountlake Terrace. The [municipal code](#) requires pet licenses for all dogs, cats, horses, pigs and goats that are at least three months old. Dogs and cats must have and wear their issued license tags. This increases their chances of being returned home if they escape. A new website, www.petdata.com/mlt, just went live Monday operated by PetData, Inc.

These licenses will earn a dog a free ride home from Animal Control the first time it gets out. In addition, the technology allows other residents to assist in returning lost pets, and helps in identifying which animals are stray or feral.

The annual cost is \$40 for unaltered pets and \$20 for altered pets, with a rate of \$10 for residents age 65 and older (for altered pets only). Allowed types of livestock are \$20 each. Rabies vaccination paperwork can be uploaded through the website, as well as proof of qualification for the senior discount. For new pets, there is a 30-day grace period. License renewal is required annually, though the tags can stay the same. If you lose the tag, you can get a replacement for \$5.

For more information on pet licensing, or to arrange for service by mail or email, please contact the Police Department at 425-670-8260 or cityhall@mltwa.gov. The front office remains closed to the public due to the Civic Campus construction. Information also is posted online

under the "Pet Licensing" tab at www.cityofmlt.com/1690/Animal-Control. A citywide postcard reminder will be mailed soon.

- **Google Analytics:** The city's website host added access to Google Analytics as of January 1. This powerful tool allows us to view and export many kinds of data about our website and its users' behavior. Here are a few numbers from the first quarter of 2022:
 - Of 586,697 users, the majority were on desktop computers. That said, we are moving toward more mobile-friendly content as these users also represent a significant portion.
 - We can see how often PDFs are downloaded. Recreation schedules are the most popular, but the following documents also saw more than 700 downloads each: urban design principles, the annual City Council schedule, the sustainability strategy, accessory dwelling unit information, history of Lake Ballinger Forum, and permits FAQ.
 - Within the site, people most often searched for passport services, swimming lessons, pool schedule, specific recreation programs, and jobs. Top visited pages were Recreation, Pool Schedule, homepage, Utilities, various aquatics pages, Permits, and Jobs.

This is just a small sample of the kind of reports that can be generated. The city looks forward to using this information to help make data-driven decisions to improve the website and other city communications.

- **Community Outreach and Education:** Over the past few weeks, the Community Relations Division has reached out to a number of organizations and businesses. Recent efforts including meetings with Snohomish County Office of Recovery and Resilience regarding use of ARPA funds for pandemic recovery, Bagus Little Asia and UW Medicine Primary and Specialty Care about future ribbon cutting events, South County Fire, South Snohomish County Museum and a local Islamic school. There were also a number of informal visits with local businesses and contacts with the Mountlake Terrace Senior Center, Sound Transit Light Rail Station Artist Kipp Kobayashi and chairs of the Diversity Equity and Inclusion Commission.

Additionally, the Community Relations Specialist met internally with the Community & Economic Development Department, Engineering staff, Parks Division Managers, the Recreation Parks Advisory Commission and took a tour with the city's Stormwater Program Manager.

Events held over the past week include April Pools Day and Coffee with the City while staff planning took place for Earth Day/Arbor Day Park Clean Up, Ballinger Park Waterfront Project Ribbon Cutting, July 3 Fireworks Show and National Night Out Against Crime.

Training efforts included Google Analytics, Economic Alliance Coffee Chat on homelessness, Attorney General's Office and WMCA on HB 1329 and amendments to the Open Public Meeting Act and a Laserfiche webinar called "Mastering Folder Basics."

- **City Happenings in Mailboxes Now:** The April issue of the city newsletter, featuring the Concern for Neighbors Food Bank on the cover, is available [online](#). This newsletter includes a two-page spread highlighting upcoming projects at Ballinger Park and reminders for park visitors such as adhering to the leash law, picking up pet waste and not feeding the wildlife.

The history of the Lake Ballinger/McAleer Creek Watershed Forum along with a map to help residents find their watershed are also included in this issue. Currently staff is working on the June issue that will highlight summer events.

- **Volunteers Needed for Earth Day/Arbor Day Clean Up:** The city will host a spring cleanup event in honor of Arbor Day and Earth Day on **Saturday, April 23 from 9:00 a.m. to 12:00 p.m.** at the Civic Campus, located at 23204 58th Avenue W. In recent years, the event was held at Ballinger Park and this year the focus will be on the new Civic Campus and adjacent Veterans Memorial Park.

Individuals, families (kids are more than welcome) and groups are encouraged to attend to tidy up the Civic Campus and Library areas and assist a volunteer group known as the "Ivy League" to help with invasive plant removal at Veterans Memorial Park. Please bring work gloves and small hand tools if possible since the city does not have enough for everyone. Weed pullers, pruners and rakes are items most needed.

For more information on volunteering, please contact Parks and Facilities Superintendent Ken Courtmanch at kcourtmanch@mltwa.gov. Coffee and water will be available and lunch will be provided to all volunteers following the event.

- **City Hiring to Meet Service Demands:** The city is growing and has a number of vacancies to be filled in high-demand service areas. If you or someone you know is interested in working in local government, please check out the following opportunities. In the Finance Department, interviews were conducted this week for the Accountant, Finance Technician and Payroll Technician positions. These roles provide support for important frontline services such as utility billing and payroll, as well as behind-the-scenes assistance including special projects.

The city recently filled a vacancy in the Permitting Division of Community & Economic Development, with another Permit Technician starting in a few weeks. Currently there is a need for a Senior Planner to keep up with the rapid pace of development and large-scale projects in Mountlake Terrace. Interviews were held recently for the Associate Planner position.

In the Aquatics program, within Recreation & Parks, the city has record registrations for swimming lessons and the need to fill entry-level lifeguard and swim instructor positions. Applicants must be at least 15 years old, and the city will provide and pay for the certification class required by the American Red Cross. Interested parties who are 14 years old may volunteer as an aide in preparation for future employment. The Recreation Department also is

seeking to hire two full-time Aquatics Coordinators and part-time Dance and Fitness Instructors for a number of classes offered to our community for children, teens and adults. Finally, the city seeks a Facilities Maintenance Worker to provide building maintenance and repairs at city-owned properties.

The Aquatics and Recreation staff work at the Recreation Pavilion, located at 5303 228th Street SW, and the Facilities Maintenance Worker reports within the Parks Division. All other positions referenced will work at City Hall, 23204 58th Avenue W.

The City of Mountlake Terrace is preparing to reopen City Hall as construction wraps up on the final punch list items for the Civic Campus. The city also is gearing up for its usual busy summer season in recreation as well as the return of summer events. For more information about current vacancies and working for the City of Mountlake Terrace, visit www.cityofmlt.com/jobs or contact Human Resources Manager Leslie Choate at hrcity@mltwa.gov or 425-744-6225. Applications can be mailed or emailed upon request, and are posted online, along with all open job descriptions and salary information.

- **Vaccine Information:** The Department of Health has a [web tool](#) to help you find a vaccination appointment by entering your zip code. It looks at various scheduling options from multiple providers to find an appointment easier and is available in multiple languages (see upper right corner to change to another language besides English). For information or to make appointments, call the Snohomish Health District at 425-339-5278.

- **Public Access to City Facilities:** Due to COVID-19 restrictions and the Civic Campus project construction remaining, City Hall remains closed for in-person appointments.

The Recreation Pavilion hours are Monday-Thursday, 5:45 a.m.-8:30 p.m., Friday 5:45 a.m.-6:30 p.m., and Saturday 8:00 a.m.-2:00 p.m. The facility is not open on Sunday. Email mltrecreation@mltwa.gov or call 425-776-9173 to register or get more information about our programs. Athletic fields are open by reservation only and with appropriate safety plans. Park trails, off-leash dog park, tennis courts and basketball court are open. Below are some helpful phone numbers and emails should you need assistance:

COMMUNITY & ECONOMIC DEVELOPMENT

- **Inspection Requests Move Exclusively Online:** Last month, the city began requiring all inspections to be requested via the [Permit Portal](#). The city continues to make an effort to provide consistency and expedite the inspection scheduling process, and consolidating permits and inspections through the portal streamlines this progression.

The former Inspection Hotline will redirect callers to the portal. Additionally, all permit information is housed online, in the same place, and can be accessed by using the permit number. Information regarding the necessity of inspections, and staying in compliance with the accompanying permits, is located on the [Permits & Licenses](#) page.

If you do not have online access, and need to request inspections, please email permitspecialist@mltwa.gov with your permit number, and your request to be added to the account. For additional assistance, please call 425-744-6267.

- **Permits:** Until the city re-opens for in-person services, [permit applications](#) are accepted through a 'no-contact' procedure. Permit processing times have increased due to compliance with COVID mandates. During your work, permits must be on-site, workers must following COVID-19 protocols, and contractors must have a developed exposure control, mitigation, and recovery plan (Department of Labor & Industries will enforce requirements for contractors to comply). Please email Permitspecialist@mltwa.gov with questions.
- **Interactive Map:** View the [interactive map](#) showing all development projects currently happening in the city. Project PDF pages can be viewed by either clicking on numbers in the map or their names on left side of the map.

PUBLIC WORKS/ENGINEERING SERVICES

- **Grant Update:** In 2022, the stormwater program will be receiving three grants totaling \$107,400 from the Washington State Department of Ecology and the Washington Department of Natural Resources (DNR). Ecology is funding a \$26,000 two-year grant for invasive plant control in Lake Ballinger, and also a \$50,000 grant for work to support stormwater permit compliance work. The city was just recently awarded a \$31,400 grant from the DNR to start a new street and parks tree planting program, "Trees for Terrace."
