The coffee hour presents an informal opportunity to hear what's happening, ask questions and share feedback. - **Community Outreach and Education:** This week, the Community Relations Division met with UW Medicine, Snohomish Conservation District, Snohomish County Department of Emergency Management, Snohomish County Office of Recovery and Resilience, Alibertos, Yay Big/Yay High/Yay Ice Cream, MLTNews.com and members of the Mountlake Terrace Business Association. Discussion topics included National Night Out Against Crime, emergency response training, public information officer networking, hybrid public meetings and a Snohomish County District 4 open house to identify preferred uses for the County's ARPA funding.

The Division is also coordinating with the Public Works Department on upcoming notification for the fog seal and pavement marking repair project that will begin on May 22.

The Community Relations Specialist is also providing support to the Recreation Department on a potential scavenger hunt to align with the Verdant Health Walks this summer.

- **City Celebrates Three New Businesses in Town Center:** A ceremony on Friday, April 29 marked the openings of Baguus Little Asia, Specialty Fitness Pros, and Bagdasarov Insurance Agency, a State Farm office. All three businesses are located in the Arbor Village and Atlas 236 buildings, which together anchor the intersection of 56th Avenue W and 236th Street SW. This locale is in the heart of the Mountlake Terrace Town Center, and a short jaunt from the Transit Center and future light rail.

Bagdasarov Insurance Agency kicked off the trio of celebrations with a champagne reception showing off their modern décor and “State Farm red” balloons and ribbon. Alex Bagdasarov said his office, located on the ground floor of Arbor Village next to Banh Mi Bites near Hemlock State Brewing Company, has been open since late December.

Next, the gathering of guests headed down the street to visit Specialty Fitness Pros, a new business offering personal training for individuals and small groups. Owner and former resident Darius Hollinshed chose Mountlake Terrace because he was familiar with the area and this location reminded him of home. His interest in personal training stemmed from his experience rehabilitating from multiple sports injuries, and he enjoys the process of building back and helping others. Hollinshed, with his wife Molly and their three children, provided a tour of their facility before the group crossed the street to Bagus Little Asia, located in the new Atlas 236 building.

At Bagus Little Asia, owners Takao and Yuko Kikuchi are well-known, having previously operated Dragonfish Asian Café in Seattle. The new Bagus Little Asia is a 2,000-square-foot space that seats 60, with artistic, modern decor and a self-serve tap that features 16 beers and four wines.

Following the ribbon cutting, Yuko Kikuchi welcomed the guests and said that “Baguus” is pronounced *bah-goos*, and shared that the word means great, beautiful and having a wonderful time. The Mountlake Terrace High School Jazz Combo played a number of standards while guests sampled the top favorite menu items including Pickled Cucumber, Chicken Potsticker, Spicy Lime Tofu, Chicken Nanban, Singapore Spicy Lime Chicken Rice and Mochi Brownie with Ube Ice Cream.

- **City Partners with PetData to Provide Online Animal Licensing:** It is now easier than ever to register or renew pet licenses in Mountlake Terrace. The [municipal code](#) requires pet licenses for all dogs, cats, horses, pigs and goats that are at least three months old. Dogs and cats must have and wear their issued license tags. This increases their chances of being returned home if they escape. A new website, www.petdata.com/mlt, went live two weeks ago and a postcard mailing was sent to residents this past week. For more information on pet licensing, or to arrange for service by mail or email, please contact the Police Department at 425-670-8260 or cityhall@mltwa.gov. The front office remains closed to the public due to the Civic Campus construction. Information also is posted [online](#) under the “Pet Licensing” tab.
- **Public Access to City Facilities:** Due to COVID-19 restrictions and the Civic Campus project construction remaining, City Hall remains closed for in-person appointments.

The Recreation Pavilion hours are Monday-Thursday, 5:45 a.m.-8:30 p.m., Friday 5:45 a.m.-6:30 p.m., and Saturday 8:00 a.m.-2:00 p.m. The facility is not open on Sunday. Email mltrecreation@mltwa.gov or call 425-776-9173 to register or get more information about our programs. Athletic fields are open by reservation only and with appropriate safety plans. COMMUNITY & ECONOMIC DEVELOPMENT

- **Inspection Requests Available Exclusively Online:** The city began requiring all inspections to be requested via the [Permit Portal](#). The city continues to make an effort to provide consistency and expedite the inspection scheduling process, and consolidating permits and inspections through the portal streamlines this progression.

The former Inspection Hotline will redirect callers to the portal. Additionally, all permit information is housed online, in the same place, and can be accessed by using the permit number. Information regarding the necessity of inspections, and staying in compliance with the accompanying permits, is located on the [Permits & Licenses](#) page.

If you do not have online access, and need to request inspections, please email permitspecialist@mltwa.gov with your permit number, and your request to be added to the account. For additional assistance, please call 425-744-6267.

- **Permits:** Until the city re-opens for in-person services, [permit applications](#) are accepted through a 'no-contact' procedure. Permit processing times have increased due to compliance with COVID mandates. During your work, permits must be on-site, workers must follow COVID-19 protocols, and contractors must have a developed exposure control, mitigation, and recovery plan (Department of Labor & Industries will enforce requirements for contractors to comply). Please email Permitspecialist@mltwa.gov with questions.
- **Interactive Map:** View the [interactive map](#) showing all development projects currently happening in the city. Project PDF pages can be viewed by either clicking on numbers in the map or their names on left side of the map.

PUBLIC WORKS/ENGINEERING SERVICES

- **Grant Update:** In 2022, the stormwater program will be receiving three grants totaling \$107,400 from the Washington State Department of Ecology (DOE) and the Washington Department of Natural Resources (DNR). DOE is funding a two-year, \$26,000 grant for invasive plant control in Lake Ballinger, and also a \$50,000 grant to support stormwater permit compliance. In addition, the city was recently awarded a \$31,400 grant from DNR to start a new street and parks tree planting program, "Trees for Terrace."
