FOR IMMEDIATE RELEASE through July 17, 2007

Mountlake Terrace to Hold Open House On Walking and Bicycle Needs

An open house on walking and bicycle needs throughout Mountlake Terrace will be held July 17 at the Mountlake Terrace City Hall. Interested persons may visit the event anytime between 7:00 and 8:30 p.m.

The open house is intended to get people's ideas on making it easy and safe to walk or ride bikes to places within the City. Needs for people of all ages and abilities will be considered. Ideas may include new or improved sidewalks, trails, bike lanes, and other features that enhance options for non-motorized transportation.

Pedestrian and bicycle access is a component of a citywide transportation master plan that the City is developing this year. The master plan will also include components for addressing vehicle traffic and transit connections.
